

Comedic Hypnotist BLAZE

Hypnotic Entertainer / Therapist

Helpful Interview Questions for Radio & TV Interviews

Intro / Credibility

- You've been doing hypnotism since you were how old. How did you get started?
- Is hypnosis real? If so, how does it work?
- How is hypnosis thought of today, generally?
- What is hypnosis really like?
- What can someone REALLY expect from the use of hypnosis in dealing with life's issues?
- Are businesses really turning to hypnosis in dealing with stress management for their employees? Tell us about some of these executives!
- You've been doing hypnosis now for years and been on quite a number of TV and Radio shows so you have met thousands of ordinary folks as well as celebrities; what has been the most interesting hypnosis session of all the people you have met and worked with?

Spice and Controversy

- Prior to and since your marriage to your (ex) wife, did you ever hypnotize a young lady to get her phone number (or whatever) in a bar or club...?
- Can a guy hypnotize his wife or girlfriend so she will allow him to either watch all the ball games he wants or let him go out or play cards with the guys once a week? Or do anything else for that matter?

And/or:

- Can a woman hypnotize her boyfriend or husband so that he will cut way back on all the TV ball games and watch more of the movies she likes to watch or let her enjoy a girls' night out once a week.
- Can hypnotism make my spouse or mate a better lover?
- Every year people are spending more and more money on Viagra, Cialis and other medications that are touted by the drug companies to aid in the treatment of ED. Can hypnosis be a viable alternative to spending a fortune on all these "little magic pills"?

Making a Difference

- Can hypnosis be used as a way to raise your self-image and confidence?
- What about weight loss and help in quitting smoking?
- Many people absolutely hate to go to the dentist or preparing for surgery. Can hypnosis be used to help these people with their fears? How?
- Once you begin to use hypnosis to aid in a particular issue, do you have to continue to go to hypnosis sessions for the rest of your life?
- What is the biggest benefit the average person could receive from the use of hypnosis?

Personal

- Can you hypnotize anyone you meet?
- What do you feel your greatest challenge in the field of hypnosis is?
- What do you find most gratifying about hypnosis and hypnotherapy?

Stuff in the News / Stage Hypnotism Entertainment

- What about these stage shows that we have all seen? Is that stuff real?
- Tell us some whacky things people have done on stage with BLAZE?
- Every year there is a World Hypnotism Day on January the 4th. Can you tell our listeners/viewers what that is all about?
- Where are you performing...?
